

## GET A LIFE PLAN checklist

---

A Life Plan can be an important tool to help guarantee your care, medical, and financial needs are met during your life as well as ensuring that your body, money, and property are taken care of in accordance with your wishes following death.

Use the checklist below as a guide to help organize your Life Plan and gather the tools you need to put it into effect. Keep in mind that every tool on this list may not apply to your situation. Clicking on the hyperlinks takes you to the WINGS Get a Life Plan webpage for more information on each item. Note that items with an asterisk require an attorney for assistance. We recommend sharing this information with others you trust if you need assistance.
